

**2009 PRICE LIST**

**POST AND WIRE FENCING**

The post and wire range comes in two post sizes, 1.65m standard and 2.4m deer fence. This allows a post height of 1.2m ( four feet ) or 1.8m ( six feet ). We recommend a post centre distance of 3m ( ten feet ) and the use of a nail/staple gun.

Please ensure you are wearing adequate eye protection.

Code	Product	Dimensions, mm			Mass Kg	RRP £
		Diameter		length		
95D1650	Fence Post	95		1650	9.6	17.59
95D2400	Deer Post	95		2400	9.6	25.59

**POST AND RAIL FENCING**

The post and rail range comes in standard motorway size specification. We recommend a post centre of 1.5m ( five feet ) as our rails are 3m ( ten feet ) long, and the use of a nail/staple gun.

Please ensure you are wearing adequate eye protection.

Code	Product	Dimensions, mm			Mass Kg	RRP £
		Depth	Width	length
